

## LOAD RESTRICTIONS ON MUNICIPAL BRIDGES

In response to a Bridge Structural Evaluation Engineers Report, the following bridges are now load restricted:

- Doe Lake Road –  
Bridge 2: triple load posting  
21/15/8 tonnes
- Pickerel & Jack Lake Road –  
Bridge 4: triple load posting  
29/21/11 tonnes
- North Pickerel Lake Road –  
Bridge 6: triple load posting  
29/21/11 tonnes
- South Horn Lake Road –  
Bridge 8: triple load posting  
22/16/8 tonnes
- East Road –  
Bridge 10: triple load posting  
23/16/8 tonnes

Load limits posted at the bridges shall take precedence over this list.
