MANDATORY CLEAR BAGS FOR GARBAGE YOUR 2019 LANDFILL PASS IS HERE!

THIS CARD ENTITLES YOU TO 40 BAGS FOR 2019

ABOUT THE NEW CARD

The Landfill Pass is just like a gift card, but it can only be used at the landfill. The township has pre-loaded each card with 40 bags (\$120) for use from January 1st 2019 to December 31st 2019. This card is reusable and each year it will be reloaded with a dollar value which will entitle residents to dispose of garbage bags at the landfill. Recording the last 5 digits of your card number will enable you to retrieve the cash value if your card is lost as the cards are electronic and information is stored on a web reporting portal. Lost, stolen or damaged cards will be deactivated and a new card can be issued with the remaining value applied to the new card.

BUT WHAT IF I DO NOT USE 40 BAGS IN 1 YEAR?

That's okay, the value on the card will roll forward each year. The stored value on the card may be needed in the future, for that "one time when the hydro was out", or the "purge before the move".

LET'S NOT FORGET ABOUT DIVERSION

We are happy to accept gently used items at the reuse on site, tipping fees may apply to drop offs, but for a small donation another family may be able to put that item to use.

Clothing, bedding, one shoe, one sock, gently used textiles can be donated to Diabetes Canada at the bins located in the reuse. These materials are collected and distributed to Value Village, and other programs in Ontario. Profit from these items help send diabetic kids to camps in throughout Ontario and to additional research to find a cure.

Pickups can also be scheduled with Diabetes Canada by calling 1-800-505-5525 or visit the website at <https://declutter.diabetes.ca/pickup>

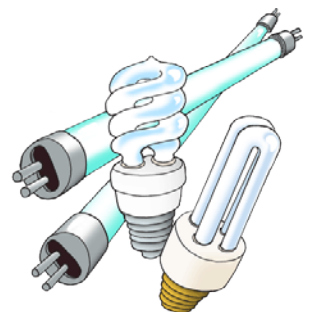

DIVERSION PROGRAMS - GET IT OUT OF THE LANDFILL AND BACK TO NEW PRODUCTS

ASK ATTENDANT FOR DROP OFF INSTRUCTIONS

WE WANT YOU TO RECYCLE MORE BUT SORT LESS COMINGLE CONTAINERS

**STEEL & ALUMINUM - GLASS JARS & BOTTLES - ALL NUMBERED PLASTIC CONTAINERS
INCLUDE POLYCOAT MILK & JUICE CONTAINERS & TETRA PAKS TOO!**

The biggest mistake people still make when it comes to recycling is not washing out their jars, bottles or containers before putting them in the blue bin. Not only is there a risk of contamination, but it increases the cost of processing.

RECYCLE ALL YOUR MIXED PAPER

Newspapers - Magazines - Phone books - Office Paper - Junk mail - Hard & soft covered books Wax Coated Coffee Cups - Gift Wrap & Gift Bags

PLEASE DO NOT INCLUDE USED PAPERTOWEL OR KLEENEX - THIS MATERIALS SHOULD BE INCLUDED WITH YOUR HOUSEHOLD WASTE

RECYCLE ALL YOUR CARDBOARD & BOXBOARD

Corrugated cardboard box - Cereal box - Kleenex box - Pasta box - Cookie box - Fibre drink trays Laundry detergent box - Toilet/paper towel tubes - Fibre egg cartons

PLEASE BREAKDOWN LARGE CARDBOARD BOXES AND REMEMBER TO REMOVE EGGS SHELLS FROM THE CARTON
