CLOSING

GENERAL POLICY

Council will consider applications to stop up, close, and convey road allowances and shore road allowances on a case-by-case basis. It is the policy of the Township of Armour that all associated legal, survey, and administrative costs shall be borne by the applicant.

Additionally, a successful sale will require the applicant to pay the applicable purchase price for the land.

As part of the application process, Council shall consider any comments received respecting the proposed sale prior to rendering a decision to sell or retain the lands. Should council in its discretion, decide to retain the lands, any expenses incurred to that date remain the responsibility of the applicant.
