## 2019 Construction Projects

---

We know how important our roads infrastructure is to you. Below you can learn more about current and ongoing road work for 2019.

When you see  be aware that you are entering a work zone with people and equipment ahead. Workers are repairing/improving the road to keep it safe for everyone to use. Please slow down and be prepared to stop.

For additional information, please contact Keith McCoy @ 705-382-5982.
